To Whom It May Concern:

Thank you for allowing me the opportunity to write this letter of recommendation on behalf of Bryan Wallace. I have been coaching soccer in Southern California at the youth and collegiate level for over 10 years. During that time, Bryan has been a coach that I have gotten to know as someone that cares deeply about the “product” he is producing. His “product” is multi-layered and focuses on individual growth, team success, and community impact. Sport is obviously inherently competitive, and Bryan has done a good job of utilizing the spirit of competition to improve each environment he’s been a part of.

Outside of the field of competition, Bryan is also – and most importantly – someone that brings value to a community. He’s genuinely a good person and I have had the pleasure of collaborating with him at various camps/clinics throughout the years. Even when we compete against each other during our club games, I’ve always enjoyed the competitive challenge and have walked away with grown respect for him as a person.

It is with great privilege that I recommend Bryan for the position of Boys Varsity Soccer Head Coach at St. Margaret’s Episcopal School. I look forward to the future opportunities my staff and I will have to watch him lead this program.

Thank you for your time and consideration.
