

To whom it may concern,

Please accept this letter of behalf of Bryan Wallace. I have known Bryan for thirteen years. I have recruited and coached several his former players. His influence on their development as a soccer player and person has been profound. I recruit players that I know will have a positive impact on our team, program, and university. I look for players who are honest, hard-working, and reliable. I know when recruiting a player coached by Bryan, he will come with those characteristics.

I have also worked several soccer camps for Bryan. They are always well organized and smoothly run. I work along several college coaches from around the country at these camps. It has never been lost on me that each one of us have a mutual respect for Bryan as a coach and a person. We have several offers to work various camps. We choose the camps we know will have quality players but more importantly are run by a quality person and coach.

Bryan's resume and highlights the vast and diverse experience he has had as a coach and director. I believe these experiences allow him to adapt and adjust smoothly to new environments and challenges. I am confident Bryan will be an asset to St. Margaret's and the students he will mentor.

Thank you for taking the time to read this letter. If you have any questions or would like to discuss Bryan's potential as a candidate any further, please do not hesitate to contact by phone at 202-486-3568 or by email at [jpascale@ucsd.edu](mailto:jpascale@ucsd.edu).

Sincerely,
